CHARGED WITH burglary by breaking are Charles Dean Most, third from left, and William Stephen Brown, both of Amarillo. Others in the picture are Bill Wilson, justice of the peace for precinct 1, seated, L. S. "Slim" Johnston, sheriff, and deputy Ray Tinsley.

Amarilloans Charged With Burglary-By-Breaking

Two men are out on \$1500 bond in connection with burglary of Cooper's Market.

Randall deputy Ray Tinsley said that William Stephen Brown, 17, and Charles Dean Most, 20, of Amarillo have been charged with burglary by breaking.

Two Potter County juveniles were questioned by authorities concerning their participation in the burglary.

Brown was questioned Saturday by Randall deputy Cliff Longest and he admitted participation in burglaries of the vacant Texaco Station, Campus Barbecue, Kreme Kone Drive

and Dairy Freeze, all in Canyon, and the Western Riviera Pool in Amarillo. All of these burglaries were committed during one night, according to Tinsley.

New Tax Roll Presented Randall Commissioners

A new tax roll of real and personal property was presented to Randall County commissioners court Monday by Bill Money, tax assessor-collector.

The roll totaled \$32,460,150, up a little more than \$500,000 in valuations from 1959's total. Money said the roll would mean about \$6,000 more in taxes to the county if collections are 100 per cent.

E. T. Cummings, county auditor, showed commissioners a tentative budget based on the tax roll. He said a public hearing on the proposed budget might be held September 12.

Commissioners changed the voting box in precinct 15 to David Crockett Junior High School from Olsen Park Church of Christ. Precinct 15 is in South Amarillo.

The court also authorized a salary of \$280 a month for Mrs. Nancy Boston, who has been hired as secretary for

A. W. Lair, county criminal district attorney. Because of courthouse observance of Labor Day next Monday, commissioners will meet Tuesday afternoon.

Three Breeders Have Winners In Swine Show

Three area breeders placed at Lubbock last week.

One hundred thirty-two entries from five states were entered in the contest staged August 25-27.

Art Miller's boar took third place in the senior spring Chester White division.

O. H. Rahlfs' Duroc took first place, junior spring boar; grand champion, Duroc boar; (Continued on page 7)

Eagles To Meet Slaton Tigers In Season Opener

Canyon's high-flying Eagles will be out for their first kill of the season Friday night as they travel to Slaton to pay a return visit to the Tigers of that city.

The Eagles entertained the Tigers here last year handing the Slaton team a 12 to 0 drubbing in the season opener.

The Eagles are defending champions of 1-AA, having ripped apart the mighty eleven of both Dimmitt-touted as one of the state's best-and Tulla in the closing encounters of the 1959 season.

Canyon's team this year is under the tutelage of Coach Jeep Webb who came here from Borger staff of Coach Gene Mayfield. Jeep brought a lot of the Borger staff with him.

Rounding out the coaching crew for Canyon this year are Charley Chambless and Allen Simpson.

Canyon's field general this year is Jim Killingsworth, a senior who played end and second quarterback last season. "Jim is doing a real fine job for us," declared Coach Webb. "He's willing to learn."

Two sophomores will start at halfback for Canyon Friday night. Harry Lisle will play both on offense and defense. "He's a small boy but he's a fine competitor," the coach reported.

Robert Cooke, playing the other halfback position, is a hard runner and a good blocker. "We want our halfbacks to block," Coach Webb asserted.

Jerry Reynolds, weighing in at 156 pounds, is in the full-back slot. Jerry is another hard runner. A senior, Jerry has some experience under his belt. "He has a fine attitude," Webb declared.

Dwight McGeehee, tackle, has sustained an injury to the ankle. He has been limping a little but Coach Webb says he will be suited up Friday night. Dwight is a senior.

The other tackle is Bill Callarman. He played in three ball games last year as center but Coach Webb has changed him to the line.

"He's doing an outstanding job on both the offense and on the defense," the coach reported.

Ends are Wayne Rutherford and Jess Sheets both boys played B ball last year and both are juniors. The lads are showing improvement at their positions.

George Prichard, is a 170-pound senior at guard. This is his third year out for football. "He's showing fine improvement," Coach Webb reported. The other guard is Gary Lee, a sophomore. He started out at end and then was switched to the line. "He has a lot of desire and is doing a real good job," the coach said.

Ronnie Harris, a junior, is at center. Last year he played defensive tackle. "We changed him to inside linebacker," said Coach Webb. "He's one of the finest linebackers I've ever worked with. He will hit."

Jim Marrs is out with an ankle injury and hasn't suited up since the first day. "We hope he'll be well enough to play by next week," said Coach Webb. "That is the only injury that has actually bothered us." Jim normally plays right halfback.

The Eagles have scrimmaged Olton and Littlefield. "They looked better against Littlefield than against Olton," he reported. He said the Eagles were able to move the ball against the Wildcats than against Olton eleven.

Coach M. W. Kerr at Slaton says the Tigers lost its entire backfield by graduation and is an inexperienced crew. Two sophomores grace the Tiger backfield.

Webber Tefertiller, weighing 145 pounds, is quarterback. Steve Ball plays halfback and the other half is Don Shelby. James Wright is probably will start at fullback. He weighs 160 pounds. Two reserve backs, Kelley, Bownds and Julian Perez, are the Tiger speed threats each doing the 100 in

Majority of Canyon businesses will be closed Monday in observance of Labor Day, as will Canyon public schools.

Chamber of Commerce manager Roland Black said that members of the Retail Merchants Committee of the chamber chose Labor Day as one of six holidays to be observed by businesses in Canyon.

Other holidays are Thanksgiving, Christmas, New Year's, Memorial Day, and 4th of July. Businesses will open Tuesday as usual.

Quarterback Club Hears Coaches Report

Canyon Quarterback Club held its first meeting of the season Tuesday night and will meet each Tuesday night hereafter. The group heard reports from the coaches. President of the club is Dale Killingsworth.

All three Canyon coaches are graduates of West Texas State College. Coach Webb was an assistant of Coach Mayfield both at Littlefield and at Borger. Jeep and his wife, Norma, have two children, Tana, 5, and Tip, 2.

Jeep played guard for the Buffaloes and won three varsity letters. He and Norma both are natives of Tulla.

Charley Chambless graduated from WT in 1954. He earned a varsity letter. He and his wife, Patsy Jo, have two girls, Caron, 4, and Cathy, 1.

Allen Simpson is a native of Borger and coached one year there. He is a 1958 graduate of WT, where he lettered in basketball. His wife, Jearlyn, is a Canyon girl. The Simpsons have an infant daughter.

Enrollment Expected To Climb

Officials at West Texas State College are expected at least a 10 per cent increase over last year's 2200 students, in the enrollments there this fall.

Registrar Frank Morgan said that this year's freshman class would definitely be the largest in the school's history.

Dorms open Sunday, September 11, and freshman orientation and testing begins at 8:30 Monday morning. Morgan stressed that all beginning freshmen, including those who have already taken admissions tests, are required to report to the auditorium in the Administration Building at 8:30 a. m. September 12.

29 Lives Depend On You

(An Editorial)

Texans throughout the state will take to the highways during this long Labor Day weekend and have plans to thoroughly enjoy the 72-hour holiday.

But 29 people will not, according to statistics drawn up by the Department of Public Safety. Between 12:01 a. m. September 3 to 11:59 p. m. September 6, 29 Texans are predicted to die.

Governor Price Daniel has asked that all law enforcement officers in the state be especially watchful for law violators and these agencies have pledged full support in protecting our highways.

Civic groups in many Texas towns have organized efforts that will aid in this vast safety program.

Yet with all this manpower turned toward a deathless holiday in our state, the final responsibility rests upon you--the driver. It will be your actions that will finally determine the death toll.

In assuming this task of keeping our highways orderly during the weekend it means that you will not only have to be a vigilant driver, but a vigilant watcher of other drivers.

Make a promise to yourself this weekend. Promise that you will do your best to make this Labor Day weekend a deathless holiday.

Firemen Answer 4 Calls During Week

Canyon Volunteer Fire Department answered one call, and the fire truck made three other runs to smaller fires this past week. Twenty-one firemen and captain Charlie Foster doused a chicken house which was on

fire Sunday afternoon. No damage was sustained to the small building, which was caught afire by burning trash. The fire was at the home of (Continued on page 7)

1495 Register First Week, Expect More

Enrollment in Canyon public schools has reached a record of 1,495 and is expected to climb even higher, Superintendent Joe Gibson announced Tuesday.

"We expect to enroll over 1,500 before the week is over," Gibson said.

The previous record enrollment was 1,392, set in 1959. Gibson said he expected another 15 or 20 students to enroll in the next two weeks.

Breakdown of the total includes 625 in the elementary grades (first through fourth grades). In junior high, grades five through eight, 495 pupils were enrolled, and 375 students are in high school.

High school students are using the classroom areas in the new building, but the gymnasium, cafeteria, and auditorium have not yet been completed. Gibson said the administrative offices are also being used.

High school students wishing to eat at the cafeteria are being taken by bus to the junior high cafeteria. Gibson said that it is hoped that the cafeteria can be ready for use by next week.

Art students of Louis Neugebauer of Amarillo will exhibit oil paintings throughout September at the Panhandle-Plains Historical Museum.

The exhibit will open Sunday at the museum, which will be open from 2:00-6:00 p. m. on Sundays, and from 9:00 a. m. to 5:00 p. m. weekdays.

Canyon artists whose paintings will be included in the exhibit are Mesdames Mark Foster, Charles Peckenpaugh, Sherwood Blasdel, Tommy Pierce, Alma Perkins, Alfred Bellah, Don Cloward, Emil Olson, Evelyn Parke, Travis Payne, L. S. Johnson, and Dr. Robert Jarrett.

Artists of Neugebauer from Amarillo, Hereford, Plainview, Happy, and Tulla will also exhibit paintings. Each artist will show two pictures.

Members of the Canyon art class meet on Saturdays at the home of Mrs. Tommy Pierce.

Renault Stolen, Wrecked

Late Monday night a '60 Renault was stolen at apartments located at 5th Avenue and 27th Street and it was later found wrecked in the southern part of Amarillo.

Highway patrolman Gilbert Ray said the wrecked car was found on highway 87 just inside the city limits.

The car belonged to Jerry D. Sweatt. Sweatt told the patrolman that he left the keys in it.

Damages had not been estimated but the car had been rolled over.

tendent Joe Gibson announced Tuesday.

"We expect to enroll over 1,500 before the week is over," Gibson said.

Leseberg Well Not Producer

The No. 1 G. H. Leseberg was a gasser but too weak for commercial production.

The Leseberg well was a Texaco exploration about six miles southeast of the No. 1 Ralph Storm well now being drilled 4 miles north of Canyon.

It was abandoned as too weak for commercial production.

George Lewis, Amarillo, Texas Company district geologist, said the Leseberg well was acidized in the Wolfcamp Dolomite from 5,092 to 5,110. It was acidized with 200 gallons of mud acid and 1,500 gallons of 15 per cent regular acid. It was swabbed of 53 barrels of acid in 12 hours.

Lewis said there was a slight show of gas but not in commercial quantity. He said it would sustain a small flame for a short time but the flame would go out.

The location north of here is identified as the No. 1 Ralph Storm. Lewis said drilling was at 5,151 feet Tuesday with the exploration slated to go to the neighborhood of 8,500.

The No. 1 Storm is, of course, a rank wildcat since there are only four producing wells in the entire Palo Duro Basin.

C Of C To Petition Commissioners For Courthouse Square Parking

Petitions are presently in circulation favoring parking on the courthouse square.

This action followed Monday night's meeting of the Chamber of Commerce board of directors.

Petitions read: "We, the undersigned, resident qualified voters of Randall County, Texas, respectfully petition the commissioners' court of Randall County to provide additional parking on the north side of the courthouse, leaving as many trees and as much grass area as feasible, and replace monuments at an appropriate place

on the courthouse square if parking plan calls for moving monuments.

Eight copies of the petition

were started in circulation Tuesday chamber manager Roland Black said that if any qualified voter is interested

in signing it, he can come by the chamber office.

Swine Breeders To Stage Meet Monday

Annual meeting of the West Texas Swine Improvement Association will be kicked off by a swine information meeting September 6.

Election of officers will highlight the meeting, to be held at 10 a. m. Tuesday in the student union cafeteria.

Speakers will be T. D. Tankersly, Texas A&M extension swine specialist; Bill Nelson, executive vice-president of Grain Sorghum Producers Association; and Charles Smallwood, head of the agri-

culture Department at West Texas State College.

A tested boar sale will follow at 1:30 p. m. at the association's testing station on the college farm, north of Canyon.

Texas Tech consigned the high indexing boar, a Hampshire. O. H. Rahlfs of Happy consigned boars that rated highest in daily gain and feed efficiency. A pen of four pigs gained one pound of weight for each 2.48 pounds of feed.

Other consignors are Roy Ward and Sons, Milton Mann, Dale Laceywell, and Allison-Tackitt.

FROM THE CANYON RIM

Andy Anderson says he's all for leaving the ditch alongside the north side of Fourth Street and stocking it with trout. That may be the only way that some of us will ever get to go trout fishing.

We are of the opinion that Texas would be much better off if it were divided into five states as provided in the treaty by which it became a part of the U. S. It would give us eight extra Senators and would move our state government closer to us.

Right now, we are closer to three other state capitals than to our own.

Back in our cub days, we had a city editor who used to say, "Write it for the milkman." Well, he meant for us to write our stories in simple language. Little did he know that one day we'd live in Canyon where the milkman holds a masters degree and is delivering milk to earn money while he's studying for his doctorate.

We've never encountered so many learned people per square foot in our lives.

John McCarty says every newspaperman must be a flag waver. We think every man should be a flag waver. He

should stand for something and be enthusiastic about something. Without enthusiasm, it is impossible for anyone or anything to be good.

Enthusiasm is contagious. Try it some time.

John, who by the way started his career as on The Canyon News, is opening an art gallery in Amarillo. He says art is for everyone to enjoy and a picture is great because people like and think it is great and not necessarily because the critics say it is great.

We are inclined to agree with John. Art is art only through the eyes of the beholder in our estimation. We do not believe the age of the oil or canvas has anything to do with its greatness and that the joy it brings to those who see it in its real measure.

We just read an article by a nationally-known town ana-

lyzer. The article was entitled "Will Town Grow or Decline Within the Next Ten Years?" Here are the top ingredients for growth according to the writer.

1. Educational facilities.
2. Recreation facilities.
3. County seat.
4. Nearness to a large city. Canyon has them all.

KEEPING UP WITH THE ARTS

Mary Caballero

We have an unusual artist in our Canyon Community. She is Mrs. John L. Williams, who lives at 2007 First Avenue. She has a purple glass collection and many, many quilts. These quilts have taken several prizes at fairs in Texas.

But the quilts are not the only prize winners in her house. Her most outstanding talent is her ability to crochet. She has prizes from many places for her crochet work; she can thumb through her many ribbons as if they were pages in a large book. One table holds numerous gold cups for her many achievements. There are framed awards on the walls and I'm sure others tucked away in various places in the house. Some of these awards were also won on some good cooking that Mrs. Williams does in her spare time!

To add to her other talents, she is an expert seamstress. She plans to enter the sewing division of the state fair in Dallas this year.

Mrs. Williams has revived an old art called decoupage by the French. She cuts flowers from flower catalogues and arranges a bouquet on cloth. She finds a suitable piece of paper for a vase (and you can have almost any type of vase that you feel your kind of bouquet will need) then cuts it to a desired shape. After the bouquet is arranged, it is glued to the cloth background above the vase. Now it is ready for the frame and glass to fit in with your period of furniture. You could have many enjoyable hours arranging a bouquet of bright flowers in mid-winter. If you wish to know more about this type of art, Mrs. Williams will be glad to talk to you about it or to show it to anyone who wishes to come by and see the ones she has created.

NEWS FROM WEST TEXAS SPEECH DEPARTMENT

Approximately 15 members of the Palo Duro Players attended the performance of "Sleeping Beauty" in Sam Houston Park

in Amarillo. They were accompanied by Mrs. William A. Moore, director of the group. The same play was also presented in North Heights Park in Amarillo. A group also attended this performance. Actors in the play were Amarillo children. The director for the Amarillo Children's Theater was Mr. Edwin Child, who expects to tour this area next winter with the National Children's Theater.

A farewell party for Miss Colleen Wilkinson, Miss Marti Hinson and Messrs. Scott Glenn and Dee McPherson was given by the Palo Duro Players.

After a picnic supper, a large cake inscribed with Happy Journey's Marti, Cohe, Scott, & Dee, was served to about twenty members of the group and their directors, Mr. and Mrs. William A. Moore. Miss Wilkerson will leave Canyon for her home in St. Louis, Missouri, where she is Director of Drama at Normany High School. Miss Hinson will be teaching speech at David Crockett Junior High School in Amarillo. Glenn will be the speech teacher at the Phillips High School and McPherson will be leaving soon to join the U. S. Navy.

Each person was asked to enact his favorite scene from a play that was presented at W T this summer; prizes were then given that were related to the various players and the roles. Marti Hinson was sweepstakes winner. She not only enacted several scenes from plays of the summer, but enacted scenes from favorite plays of her college career. The guests were entertained at the apartment of Erin Wertheberger and Gary Wyatt.

Eta Iota Cast of Alpha Psi Omega, National Honorary Dramatics Fraternity held formal vows on the stage of the Branding Iron Theater at the close of the summer session for Mrs. Margaret Foster, Miss Colleen Wilkerson, and Mr. and Mrs. Tuhai Cain. This group was recognized for their outstanding work this summer and in the past summers.

The vows were given by Erin Wertheberger, Cast Director, assisted by Gary Wyatt, Cast Stage Manager, Rena Aikens, Cast Business Manager, Jerry Ballew, worthy Playwright and Mr. and Mrs. William A. Moore, Cast Sponsors.

Following the ceremony, a reception was held for the new members in the Green Room of the Fine Arts Building. After coffee and cookies were served, the guests recalled many humorous incidents that had occurred during their work on past plays and new plans were discussed for the coming season.

The Palo Duro Players decided to select members of the group who had worked especially faithfully during the twelfth summer theater season. They were to be selected for honors in various areas of activity. Chosen were:

Best Actor: 1st, Jerry Ballew, Perryton; 2nd, Erin Wertheberger, Hereford; 3rd, Gary Wyatt, Dimmitt. Best Actress: 1st, Tie between Marti Hinson, Groom, and Rena Aikens, Amarillo; 2nd, Marian Forbau, Quannah; 3rd, Jenny Lynn Massad, Spearman. Best Supporting Actor: 1st, Wam Moore, Canyon; 2nd, Truman Laughery, Canyon; 3rd, Guy Paul Yates, Amarillo.

Best Supporting Actresses: 1st, Bonnie Reeves Scott, Amarillo; 2nd, Rena Aikens, Amarillo; 3rd, Jenny Lynn Massad, Spearman.

Play With Best Technical Work: 1st, SNOW WHITE AND THE SEVEN DWARFS; 2nd, BLYTHE SPIRIT; 3rd, TWELFTH NIGHT.

Best Setting: 1st, SNOW WHITE AND THE SEVEN DWARFS; 2nd, TWELFTH NIGHT; 3rd, BLYTHE SPIRIT. Best Play of the Season: 1st, TWELFTH NIGHT; 2nd, BLYTHE SPIRIT; 3rd, SNOW WHITE AND THE SEVEN DWARFS.

RECORD RAMBLINGS

For some reason an effort has been made to sell stereophonic music almost exclusively by playing up the orchestra, when it happens that this is one of the less rewarding consequences of stereo. Let me digress for a moment to remind the reader that stereo can be either of good or poor quality, which is all that is meant by high or low fidelity. In this there is no difference between monaural. A poor stereo set (or rig as it is sometimes called by the stereo snob) will initially be attractive because the sound is so much more brilliant and entertaining than the monaural which one has been listening to. A short honeymoon is followed by the realization that the sound is artificial and poor, despite being hooked up. It is even more wearing to the ears and nerves than poor monaural for some reason. Always, if you cannot afford a good stereo, buy a good monaural and add on to it.

The American record playing and radio listening public has developed some very bad habits. He is willing to believe he hears the true sound of a violin if it does not actually sound like a flute. He will also compensate in part to believe he is hearing a full orchestral sound when he really hears through a small port hole an orchestra playing in another room. One reason for the traditional too loud playing of a high-fi bug is to try to increase the nearness of the source of music by turning up the volume. The musical sounds all come out thoroughly mixed and superimposed through this small window. If it is opera, the voices are competing against the orchestra as though the singers were sitting in the orchestra. This is really the significant difference with stereo. The sounds are separated. If you wish it is possible to pick out and listen to the cello choir. Or even if you do not wish to listen for it, the cello choir has an existence as in a live program. The principals of the opera are upon the stage singing to themselves and to the audience, while the instruments are down in the pit as it is proper. Even a monaural record gains greatly in depth and spaciousness when played through stereo equipment. Your present collection of records will sound surprisingly better when played on a good stereo set.

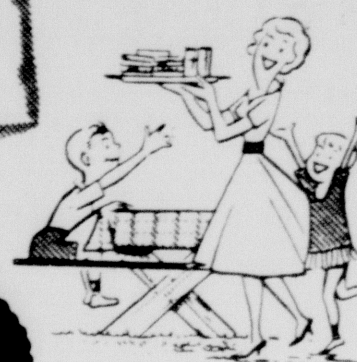

It is interesting to know whether the violins are on the right side or the left side of the orchestra, although many conductors use them first one place and another. New tech-

WT Buffs Begin Practice Today; 78 To Suit Out

West Texas State's Buffaloes will have about an equal number of freshmen and upperclassmen when the Herd opens football practice today (Thursday).

Coach Joe Kerbel and his staff, who will be in their first season as Buff mentors, are expecting 35 to 40 freshmen, along with 38 sophomores, juniors and seniors.

Under Border Conference rules, freshmen are eligible for varsity play.

Kerbel, who built outstanding teams at Breckenridge and Amarillo, will hold twice-a-day workouts every day except Sunday until September 13, when registration begins. The Herd will open season against Texas Tech at Lubbock the following Saturday, September 17.

Drills are scheduled at 6:30 a. m. and 3:45 p. m.

Sixteen lettermen will be returning from last year's Herd, which won one and lost nine and finished last in Border Conference play.

The upperclassmen number eight seniors, 23 juniors and seven sophomores.

Youthfulness will be a major problem to the Herd. "We lack experience, overall speed, and inadequate depth at most key positions," Kerbel said.

Gary Ward, 6-2, 205-pound senior tackle from Dumas, is the only returning starter who was listed on the first unit after spring drill. End Fred Hedgecock, 180-pound senior from Stinnett who made the second team of All-Border Conference in 1959, is battling for a starting post.

Also back are a number of Buffs who were occasional starters last year. Returning are Ray McCown, 190-pound Plainview halfback who ran at end last fall; Jerry Behrens, 210-pound tackle from Clarendon; Wayne Parker, 190-pound Crosbyton guard; Billy Adams, Lubbock scatback who was in-

jured in the Texas Western game; Ned Jolly, 165-pound Phillips halfback; Jones Hedrick, 195-pound Panhandle senior who was the team's second leading rusher; John Hall, 177-pound halfback from Pettit who was hurt in the Arizona game; and Jim Dawson, Borger sophomore quarterback.

Behrens, guard Bill Bradley and end Ken Friemel are the largest Buffs at 210. The starting line at the close of spring workouts averaged 196, and the backfield 180.

The Herd has 14 days to polish the split-T, pro-type offense introduced by Coach Kerbel before the season opener. Kerbel describes the offense as giving an "opportunity to combine a strong running game with a pro-type passing attack."

"It is a side-open offense," he said.

Dawson, junior John David Bryant, and a newcomer--Bob Liles--will handle the quarterback chores. Liles, a 185-pound junior, comes to WT from the San Diego Marines. His college experience came at the University of Wichita.

Kerbel, who was an assistant at Texas Tech for the past two years, will meet DeWitt

JOE KERBEL

Weaver, his old boss, in the season opener. The game will be the first in Tech's newly enlarged 40,000-seat stadium.

The WT Ex-Students Association is planning a special train to Lubbock, following a custom established in the past three years. Complete details will be announced later.

The Buffs will face defending conference champion Arizona State in the Herd's first home game September 24. A special Amarillo Night is underway for the game.

On successive weekends the Buffaloes will meet Mississippi Southern at Hattiesburg; Texas Western here; North Texas State, here; Hardin-Simmons at Abilene; U. of Arizona at Tucson; Trinity University, here; New Mexico State (Sun Bowl champion), here; and U. of Wichita at Wichita.

Helping Coach Kerbel ready the Herd are his assistants, Joe Moss, former Texas Tech assistant with Kerbel; Jack Harris, ex-head coach at Pharr-San Juan-Alamo High School; Billy Willingham, former Sweetwater High School assistant; and John Roberts, assistant freshman coach at Tech last fall.

Couples Fish In Colorado

Three Canyon couples recently returned from a week of vacationing and fishing near Creede, Colorado.

In the group were Mr. and Mrs. Joe Byrd, Ben and Bettie; Mr. and Mrs. R. A. Smith; Dr. and Mrs. Strauss Atkinson and Mayla; Mr. and Mrs. Dale Cain of Wildorado were also in the group.

Mr. and Mrs. Joe Gill and children of Canyon also were vacationing in the area.

Dr. Atkinson caught the largest fish--a native trout measuring 13 1/2 inches. The group reported that their daily catch wasn't great, but that they had plenty of fish to eat.

City Power Off Thursday

Electric timepieces in Canyon and in the surrounding rural areas lost fifteen minutes early Thursday morning.

Joe Gidden of Southwestern Public Service stated that static electricity built up and caused a transmission pole of 115,000 volts to burn at 2:40 a. m. He said that the circuit was rerouted and service was restored at 2:55 a. m.

Mrs. Wester Tells Of Move To Canyon

Mrs. W. I. Wester and her family arrived more than 30 years after Randall County's pioneers--but the Westers and the pioneers had something in common.

Both came to find a better life for themselves. The Westers knew hard years before they found the more successful life for which they had come to Texas.

Mrs. Wester, her husband, and four children moved to Texas from Missouri in 1920. The family settled near Plainview, and lived in and around that town for six years before moving to a farm near Canyon in 1926. They farmed in this area until they moved to town in 1948.

Mr. Wester, who died in 1951, chartered a car to move the household possessions from Missouri; his sons--Iva, Randall and Jack--came to Texas after their father died, traveling by train. Mrs. Wester and Louise came to the new home later, also by train. Mrs. Wester underwent major surgery shortly before the move, so was forced to wait a time before joining her husband and sons.

The Westers chose to farm near Canyon after leaving Plainview, because a school bus route ran near the farm, enabling the Wester children to go to high school in Canyon.

Iva and Jack both live in Carlsbad, New Mexico, but Randall resides in Amarillo. Their sister is now Mrs. Louise Clark of Inglewood, California.

Mrs. Wester has four grandchildren, and three great-grandchildren.

The 79-year-old woman loves to travel, despite her frequent bad health. She recently returned from a three-month visit with her sister in Springfield, Missouri. They toured points of interest there and returned for a look at their old home.

She is active in the Pioneers Club, the Canyon Mothers-in-Law Club, the First Baptist Church, and the Rebecca Lodge.

Baptists Set Special Week

Activities of Preparation Week are scheduled Monday, Tuesday, and Thursday nights at Calvary Baptist Church.

Purpose of Preparation Week is to fully organize the Sunday School department of the church.

Sessions will begin at 7:30 p. m. and dismiss at 9:00 p. m.

Rev. Aaron Mann, pastor of the church, will teach a study book, "Outreach for the Unreached," to those attending the sessions.

Expected to attend each session are Sunday School teachers, department superintendents and secretaries, and general Sunday School officers.

Baptists Attend Conference

Representatives of First Baptist and Calvary Baptist Churches attended an associational meeting in Amarillo Tuesday night week.

Emphasis at the Amarillo Baptist Associational Workers' Conference was on music. The meeting was held at Victory Baptist Church.

Bob Allford, minister of music and education at First Baptist Church, Canyon, spoke to the group on "What Graded Choirs Can Do For Your Church." Allford is the associational music director.

Those attending from Canyon were Rev. and Mrs. Aaron Mann, Mrs. Verse Williams, and Mrs. W. T. Reynolds, Calvary Baptist; Mrs. J. W. Norvell, Miss Edna Graham, Mrs. T. T. Fain, and Allford, First Baptist.

Randall Scouts Now Rank First In Llano Council

Randall District of Boy Scouts of America now ranks first in the Llano Estacado Council. Ranking is based on camping activities, advancement, and leadership training.

O. W. (Bud) Parker, chairman of the district committee, reported the ranking as members of the committee met Friday at noon in the Cowboy Cafe in Canyon.

Announced at the meeting were plans for presentations of charters to Troop 66 and Post 66, First Christian Church; Pack 97, First Methodist Church; and Post 31, First Baptist Church. Dates for the presentations, to be held in September, will be announced later.

Also, Randall District Cub and Boy Scout Round Table will be held September 8, and a boy fact survey will be conducted soon in the elementary and junior high schools.

Reports of a Llano Estacado Executive Council meeting held Thursday night were given by Wesley Cox and Dr. William Moore.

Work Schedules for September were presented to operating chairman.

Next meeting of the committee will be September 30. Present at Friday's meeting were W. M. Teague, assistant Scout executive of Amarillo; Parker, Joe Duggan, Dr. William Moore, Wesley Cox, and Joe Gibson.

Albers Have 7th Child

Mr. and Mrs. John Albers became the parents of a daughter August 16. The baby was born in Neblett Hospital.

The seventh child of the couple weighed 9 pounds, 7 ounces. She was named Nancy Louise.

Maternal grandparents are Rev. and Mrs. E. A. Heckmann of Waco, and E. H. Albers of Gladstone, New Mexico, is the paternal grandfather.

Dr. and Mrs. Lowell Smith are visiting their parents, Mr. and Mrs. O. A. Smith and Mr. and Mrs. Roy S. Franklin. The Smiths are being transferred to Richmond, Virginia, where Dr. Smith will study for nine months before being stationed at Bethesda, Maryland.

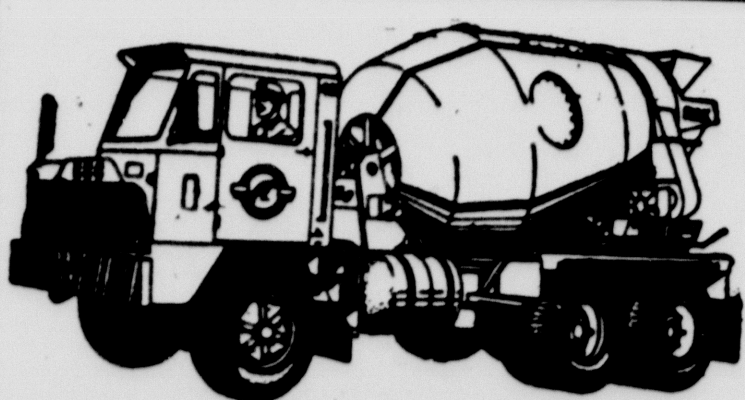

Museum Exhibit To Be Moved To San Antonio

An exhibit from the Coppini Academy of Fine Arts will be returned to San Antonio this week.

Boone McClure, director of Panhandle-Plains Historical Museum, and Harold Bugbee, curator of art at the museum, left Wednesday for San Antonio with the exhibit.

During its two-month stay at the museum, the exhibit was viewed by over 20,000 persons.

While in San Antonio, the two men will attend a dinner and reception honoring Bugbee, who is a well-known artist in this area. The museum owns more than 200 of his pictures.

WEST TEXANS SAY OF P-A-G

MAN... that's sorghum!

The way P. A. G. Sorghums look in the field makes everybody who sees them exclaim "Man, That's Sorghum!"

P. A. G. has earned the confidence which farmers have in this sorghum. Each exclusive variety is researched, tested, and proved before it is offered for sale. Then when you plant P. A. G. you can be confident that not only will it look good in the field, but it will provide top yields. Careful quality control through triple isolation on seed production pays off in your field when you plant P. A. G. Sorghums. Hundreds of tests have proved it.

Now is the time to book your P. A. G. seed.

LEGAL NOTICE

NOTICE OF ELECTION
THE STATE OF TEXAS
COUNTY OF RANDALL

TO THE RESIDENT, QUALIFIED ELECTORS OF THE COUNTY OF RANDALL, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in Randall County, Texas, on the 17th day of September, 1960, on the propositions and at the places more particularly set forth in the election order passed by the Commissioners' Court on the 18th day of August, 1960, which is as follows:

AN ORDER
CALLING AN ELECTION ON THE PROPOSITION OF THE ISSUANCE OF \$350,000.00 ROAD BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF.

WHEREAS, there has been presented for the consideration of the Court a Petition signed by Earl E. Marrs and 58 other persons praying that an election be held in Randall County, Texas, on the propositions of the issuance of \$350,000.00 of Road Bonds of said County, and the levy of a tax in payment thereof; and

WHEREAS, the Court has found that said Petition is signed by more than fifty (50) of the resident, qualified property taxpayers electors of Randall County owning taxable property in said County and who have duly rendered the same for taxation; and

WHEREAS, the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Randall County; IT IS THEREFORE ORDERED, ADJUDGED AND DECREED BY THE COMMISSIONERS' COURT OF RANDALL COUNTY, TEXAS:

1. That an election be held in said County on the 17th day of September, 1960, which is not less than thirty (30) days from the date of this order, to determine:

PROPOSITION NO. 1
"Whether or not the bonds of Randall County, Texas, shall be issued under Article III, Section 52 of the Constitution in the amount of \$225,000.00, bearing interest at a rate not to exceed 5% per annum, and maturing at such time as may be fixed by the Commissioners' Court, serially or otherwise, in not to exceed twenty-five (25) years from the date thereof, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes or in aid thereof throughout Randall County, Texas; and whether or not ad valorem taxes shall be levied annually on all taxable property in said County sufficient to pay the annual interest on said bonds and provide a sinking fund sufficient to pay the bonds at their maturity. The proceeds from the bond issue will be used for the purchase of right-of-way for State Highway being the Southeast quadrant of highway loop in northeastern Randall County, beginning at the junction of Highways 60 and 87, at the Hollywood corner, thence north about 1 1/2 miles, thence north about 1 1/2 miles to the Potter County line."

Parker-Whitlow Farms Employ Latest Ideas In Pen Feeding

Just about every new idea in pen feeding cattle has been put into practice at Parker-Whitlow Farms near Wayside.

Built in 1958 to handle 500 head of cattle, the pens can be expanded to care for 4,000 head.

Aimed at the production of highest quality cattle, all animals grade choice or prime when sold. Animals are sold right in the pen and go to nationally-known packing houses.

J. O. Parker, part owner and operator of the pens, has

been feeding cattle for 20 years. But this present operation is largely a finishing process.

Cattle coming into the feed pens usually weigh between 600 and 900 pounds. When they are shipped to markets they weigh between 1,000 and 1,500 pounds. Cycle varies from 120 days to 160 days. Parker said that they handle 2 and one-half cycles a year. There are five separate pens and each is on a separate cycle.

Parker came up with most of the ideas used at the pen. He installed water mist coolers

along all the pens. Any time the cattle become too hot the system is turned on and a fine mist floats over the cattle. This system can be controlled for each lot. Parker later found out that the cooling system is in use at cattle and hog feed pens in California.

Perhaps the greatest improvement is the all-concrete floor in the pens. A once popular belief that cattle hooves would break down on concrete after a long duration was "thrown out the window." The

concrete floor has put an end to boggy lots. The floors slant into a conduit and are washed at regular intervals. The waste is carried down the conduit to a vat where it is kept until being pumped over the fields.

An elevator capable of storing 130,000 bushels is located at the feed pens. Inside are facilities for mixing all feed used in the operation. All feed mixing is done by push button control.

Main part of the feed used

for the finishing process is produced in this area. Milo and ensilage play a great role in the diet.

An automatic mixer blends the feed and it is dumped into a truck equipped with a conveyor belt that in turn dumps it into a trough that runs the length of the pens.

Feed lots to handle another 500 head of stock are presently under construction.

Parker's three sons, Foster, Jerry and Phillip Lee, help with the operation.

Two Attend Church Meet

Judy K. Wilson and Joe Whittington, Jr., attended the Synod of Texas Youth Planning Conference at Trinity University, San Antonio.

The conference of United Presbyterian Church, USA, youth was held August 22-26.

Delegates from Canyon's First Presbyterian Church attended training classes for officers and made plans for next year's program.

The two are the daughter and son of Mr. and Mrs. W. R. Wilson, and Mr. and Mrs. J. C. Whittington, respectively.

News In New Office

The Canyon News is now in its new offices at 412 15th street on the west side of the square.

Staff of the newspaper moved equipment into the remodeled building, which formerly housed Hart's Hardware Store, Friday night and Saturday.

More equipment will be added periodically.

Wilkinsons Have Son

Mr. and Mrs. Bob Wilkinson became the parents of their first child, a boy, Tuesday.

The 8 pound-10 ounce baby was named Chris Carlton. He was born in Neblett Hospital. Wilkinson is a WTSC student.

Maternal grandparents are Mr. and Mrs. Floyd Tomlinson of Canyon. Another Canyon couple, Mr. and Mrs. Charles Wilkinson, are the paternal grandparents.

Practicing good housekeeping around grain storage bins, say entomologists for the Texas Agricultural Extension Service, will materially aid in keeping insects out of the grain and thus reduce losses.

A reception honoring Lt. and Mrs. Dick Sanders of Fort Worth was given by Mrs. C. R. Burrow and Dr. and Mrs. R. A. Neblett in the Neblett home recently.

Lt. Sanders is the son of Mr. and Mrs. Dan Sanders.

Pouring were Mrs. W. L. Smith, of Amarillo, Mrs. Tom Knighton Jr., Mrs. Lynn Hanna, and Mrs. A. I. Balzer of Lubbock.

About 85 persons signed the guest book.

Lt. Sanders is stationed at Carswell Air Force Base near Fort Worth. He married the former Aliceann Cull Clayton of Frankfort, Kentucky, in June.

Soil Conservation District News

The technicians of the Soil Conservation Service assisting the Randall-Potter Soil Conservation District have performed the following work for the following farmers during the past few weeks.

A diversion terrace to control erosion was designed and checked for Kenneth Erwin. Standard terraces were staked for Leonard Winters. Three diversions and a system of standard terraces are now being built on the Travis Payne farm. An irrigation pipeline was checked for William A. Patke. Two stockwater wells have been installed by Elzie Thomas.

Thomas also plans to build a dam within the next few weeks.

The supervisors of the Randall-Potter SCD and agencies assisting the district enjoyed a picnic last Tuesday night at Buffalo Lake.

Now is the time to build diversion and standard terraces on wheat land that has not been seeded. The rains this year have shown a great need for waterways and terraces to keep the soil in place. When erosion is allowed to occur the farmer or rancher is losing one of his most valuable assets, the top soil.

Baptists To Honor Pastor With 'Appreciation Day'

The First Baptist Church of Canyon will honor its pastor, Dr. Strauss Atkinson, and his family with a "pastor appreciation day" Sunday.

Dr. Atkinson will be observing his ninth anniversary as pastor of the church.

During his pastorate the church has experienced its greatest period of growth, both in membership and finance. Total membership has grown from 1164 to 1553.

There have been 458 additions to the church by baptism, with over 1800 coming into the church by transfer of membership. Many additions by letter have been college students who move their memberships back to their home churches at the close of each school year.

Growth has also been experienced in the Sunday school, with the enrollment rising from 934 in 1951 to a present enrollment of 1178. The average attendance in the Sunday school has risen from 475 in 1951 to 583 this year.

Many improvements have been made to the church property, including the remodeling of the auditorium, installation of refrigerated air conditioning.

The Calvary Baptist Chapel, established by First Baptist Church in 1950, became an independent church in 1952. Total gifts have increased from \$40,300 in 1951 to \$102,300 in 1959.

The church has a budget of more than \$104,000 in 1960. Goals of 550 in Sunday school and 150 in training union have been set for Sunday, and all members and their families are urged to be present as the church observes "pastor appreciation day."

Myers' Enjoy Fishing Jaunt To Minnesota

Curley Myers and wife returned from an extended fishing trip in Minnesota this week. Myers said that Minnesota's slogan of "land of 10,000 lakes" is misleading--there are actually 14,000 lakes.

His fishing report was good. Northern pike, wall eyed pike and blue gills were biting.

Janie Brotherton

A personal shower honored Miss Janie Brotherton, bride-elect of Chester Mann of Clarendon, Thursday night in the home of Mrs. E. A. Michael, northeast of Canyon.

Miss Brotherton and Mr. Mann will be married September 9 in the First Methodist Church of Canyon.

Laid with a white cloth, the serving table was centered by an arrangement of white and blue flowers, carrying out Miss Brotherton's chosen colors.

Hostesses were Miss Sandra Michael, Miss Alice Brotherton, Mrs. Harold Byars, Miss Rita Grabbe, Miss Traverne Gilliam, Mrs. Jim Thomas, and Mrs. Marilyn Ayers.

Altus AFB To Hold Festival

Altus AFB Festival will open Friday at Cartersville amusement park, and run for four days over the Labor Day weekend.

The festival will be the first of its kind for Altus AFB, the first bomber and missile base in Oklahoma.

Proceeds from the sales of tickets and concession stands will be used in the base welfare fund, which helps finance youth and recreation activities at the base.

A "Miss Atlas Missile" will be crowned at the end of the festival.

Four days of continuous free entertainment have been planned by festival officials. This includes ten different variety shows, eighteen games of skill, carnival rides, and music by five bands.

Several exhibits will be displayed at the festival.

"Old Laredo" has spilled his share of cowboys from Canada to the Mexico Border. He was purchased by the Ratjen Brothers from one of the top rodeo producers in the Great Northwest. This horse has bucked in Madison Square Garden and many other big time rodeos throughout the country. You can count on him for an outstanding performance every time he leaves the chute.

he has an improper placement of the speakers, or they are out of phase. Someday we shall talk about the third channel, what to do with the hole-in-the-middle, and some other technical problems. Before we get off stereo effect and space perception, may I express the opinion that good stereo is impossible with two stereo speaker systems in a three foot wide box of a cabinet. There must be some six to ten feet or more separation between the speaker systems unless you pay a lot of money for a 9 foot wide J. B. Lansing Paragon system with speakers at each end and some fancy reflecting surfaces. Less expensive, but still non-budget size single cabinet sets with careful reflecting surfaces will work in certain specific rooms.

The record recommendation of the week is Isaac Stern with the Philadelphia Orchestra, Eugene Ormandy, Conductor, playing Tchaikovsky Violin Concerto in D Major and Mendelssohn Violin Concerto in E Minor. Columbia Masterworks MS 6062. There is a bonus with both pieces being on the same record. Both are extremely well known concertos of great popularity. The musicianship is great, and the record sound sits you in the front row center. If you are not sure you like classical violin concertos, try these.

Odell LaGrone. Foster, assisted by three farmers, put out a grass fire on the Jack Vincent farm one mile southwest of Canyon. The August 24 fire seared 5 acres of pasture land.

Gabe Thompson and Dick Zieler of Southwestern Public Service helped Foster as a high line pole was demolished early last Thursday morning. The fire was located 7 miles east and 3 1/2 miles north of Canyon.

A car owned by Duane Howard suffered damage amounting to about \$35 Tuesday afternoon. Parked on the college campus, the car caught fire after the carburetor flooded and spilled gas on the motor.

Shower Fetes Mrs. Wilkinson

Mrs. Bob Wilkinson was honoree Monday night at a layette shower. Scene of the party was the home of Mrs. Kermit Pond.

Mrs. Bobby Phillips served punch and cookies to approximately 50 guests. Centerpiece of the serving table featured a circus motif.

Sharing hostess duties were Mrs. Don Duncan, Mrs. Joe White, Mrs. Bobby Phillips, Mrs. E. W. Wright, Mrs. J. J.

Walker, Mrs. Robert McClen-don, Mrs. Pond and Mrs. Gwen McFarland.

A London butcher proudly displayed a large sign in his store window reading, "We make sausages for the Queen of England."

Across the street his competitor hastily erected another sign saying, "God Save the Queen."

Golden Agers Hold Social

About 40 persons attended an ice cream supper for the Senior Citizens, held Friday night in Fellowship Hall of the First Methodist Church.

Group singing was led by Dr. Dudley Moore, Jr., accompanied by Mrs. Irene Ball. After the social, members played "42."

Cakes were furnished by the First Presbyterian and First Christian Churches, and the First Baptist and First Methodist Churches provided ice cream.

A watermelon feed was scheduled for Conner Park September 9. All senior citizens are urged to attend.

Billie Graham Honor Guest At Luncheon

Honor guest at a luncheon at the Amarillo Club Wednesday was Miss Billie Graham, bride-elect of Lewis Chaplowe of Stratford, Connecticut.

Mrs. C. R. Burrow and Mrs. R. A. Neblett were hostesses for the event. Their gift was a silver and crystal mayonnaise dish.

White mums and white carnations in a formal arrangement were used on the tables.

SOCIETY NOTES

Besides meaning the opening of school, for which mothers are grateful, September also means the resumption of a full schedule of meeting dates for most of the women's clubs.

Activity is suspended during the summer by many of the women's clubs, especially those that have a large membership of mothers with school-age children or wives of farmers. Between school vacation and harvest, as well as vacations, there are few people left to participate in club work.

September, however, changes that. The children are back in school, and mothers are beginning to have a few spare moments for club work.

More club meetings will mean more stories for the society pages. I would appreciate it if club reporters would send me a copy of their club yearbook or let me know when a meeting is coming up. It is easier to plan for and cover the meetings. It also means more adequate coverage--an item that is especially important if the clubs are keeping scrapbooks.

Granddaughter Of Pat Babers Earns License

The 16-year-old granddaughter of a Canyon couple has become the only "y'l" general license operator in Tarrant County. Charlotte Huff, granddaughter of Mr. and Mrs. Pat Baber of Canyon, earned her license in three months. She started studying the hobby in January and received a novice rating on April 1, according to an article on her in her hometown paper.

Charlotte, whose parents are Mr. and Mrs. Olin Huff of Richland Hills, a suburb of Fort Worth, has her own radio shack and a mobile unit in her car.

She plans to major or minor in electrical engineering at A. S. C.

Her call letters are K5-AVX (Alva Victor X-Ray). She is a member of the Kilocycle Club of Fort Worth, the American Radio Relay League, the Military Radio System, and the Rag Chewers Club. She has received about 240 cards from other radio "hams" throughout the United States since she began her hobby.

Charlotte became interested through her father, who is also a "ham." His call letters are W5-BCB (Baker Charley Baker).

Agents To Attend District Meeting

John Brazzil and Mona Kay Hildreth will attend a county agents' district meeting Friday in Amarillo.

Brazzil is Randall County agent, and Miss Hildreth is home demonstration agent for the county.

The meeting is for the 22 counties of District 1, which includes Randall County.

Pioneer Club Holds Picnic

A covered dish picnic was held Thursday night for the members of the Social Pioneer Club and their husbands.

The group met at the W. T. Davis home for the social. Forty-seven persons were present.

Music for the program was furnished by Mrs. W. I. Wester, Naomi Weddington, E. C. Penick, Jr., E. C. Hawes, T. S. Furlow, and Bud Rusk.

Out-of-town guests at the picnic were Mr. and Mrs. E. C. Hawes, Mr. and Mrs. Fred Briggs, and Naomi Weddington, all of Amarillo; Mr. and Mrs. T. S. Furlow, Tulsa; Charlotte and Walter Ronsin, Claude.

MRS. ARVIE EDWARD MARSHALL

Velah Elizabeth Walker Weds Arvie Marshall

In a double ring ceremony in the chapel of the First Presbyterian Church of Albuquerque, New Mexico, Velah Elizabeth Walker became the bride of Arvie Marshall of Canyon.

Rev. David M. H. Richmond, minister of the Presbyterian Student Association at Texas Tech in Lubbock, officiated at the ceremony, read at 2 p.m. Sunday.

The bride is the daughter of Mrs. Olive Walker of Albuquerque, and the bridegroom is the son of Mr. and Mrs. Douglas Marshall of Canyon. Joe McCharen of Albuquerque, a cousin of the bridegroom, was organist.

Miss Deana Ward of Wilson, Texas, was maid-of-honor. She wore a street-length dress of purple taffeta, styled with a scooped neckline and bouffant skirt. Miss Mary Gladys Marshall, sister of the bridegroom, was bridesmaid, and she wore a dress identical with the maid-of-honor's.

Both wore half-hats with float veils, and their flowers were purple and white gladioli in a cascade arrangement.

Mary Marcus Walker, sister of the bride, who was candlelighter, wore a lime green taffeta dress.

Best man was Tafford Blessing of Fort Worth, and Charles Brasher of Canyon ushered.

The bride wore a gown of silk organza over taffeta, fashioned with a scoop neckline and bouffant skirt. Her shoulder length veil of English illusion, was held in place with a band of feathered carnations.

She was given in marriage by Herman Utz of Albuquerque.

The bride's mother chose a pink dacron dress, styled with a fitted bodice, large double collar, and a full skirt. Her accessories were navy blue, and her corsage was of white gladioli. The mother of the bridegroom was attired in a dress of dove blue, fashioned with a fitted bodice and pleated skirt. She also wore a corsage of white gladioli, and her accessories were blue.

Following the ceremony, a reception was held in the Walker home. Assisting were Mrs. Richard Olive, the bride's aunt, and Mrs. Juan Cabraro, both of Albuquerque.

The bride chose a navy blue sheath dress with a matching jacket and red accessories for the wedding trip to Santa Fe. A graduate of Austin High School in Houston, the bride attended Texas Tech, where she studied horticulture and park management. She was a member of the Linda Casa co-op house.

The couple will live in College Station, where the bridegroom will be entering Texas A & M school of veterinary medicine in September. A graduate of Canyon High School and Texas Tech, he was vice-president of the Aggie Club and scribe of Alpha Zeta honorary fraternity and was a member of Block and Bridle Club, animal husbandry departmental club.

Hulls Honored By Dinner

Mr. and Mrs. Truett Hull of Austin were honored Sunday night at a dinner.

Mr. and Mrs. Rex Reeves were host and hostess for the dinner, which was held in their home.

The Hulls are former Canyon residents. They are visiting his parents in Amarillo.

Present at the dinner were 20 friends of the couple.

Children Gather In Smith Home

Children of Mr. and Mrs. Carl W. Smith gathered in reunion August 19 in the home of their parents.

Present were Mr. and Mrs. Boyd Glover and family of La Junta, Colorado, Mr. and Mrs. Foye Smith of Kansas City, Missouri, Mr. and Mrs. Bennie C. Smith and family of Amarillo, Carl J. Smith of Portales, New Mexico, the Jack Smith family of Plainview, the Don Smith family of Tulsa, Mr. and Mrs. Alvin Smith and family of Hereford, and Dot Leavitt and family of Vega.

Two daughters, Mrs. Robert Fleenor of Dunsmuir, California, and Mrs. Lee Pope of Bynumville, Missouri, could not be present. Several grandchildren and great-grandchildren were also absent.

Lubbock Rainbows Fete Grand Officers

The Lubbock assembly of the Order of Rainbows for Girls feted Marie Dowlen and Mrs. Alene Leake with a watermelon party Wednesday in the roadside park.

Miss Dowlen is the grand representative from New Mexico to Texas, and Mrs. Leake is the district grand visitor. About 75 persons attended.

Missouri, visited in the George Albers home last week. Mrs. Dyer is Mr. Albers' niece.

Mr. and Mrs. Ellis A. Brown and daughter Dorothy Jean vacationed in Columbus, Georgia, where they visited Mrs. Hillard Harvey and family. Mrs. Harvey is the former Avalon Brown. Enroute they visited Mrs. Brown's sisters Mrs. George Bales and Mrs. Pauline Faulkner, of Wichita Falls, and her parents, Mr. and Mrs. Isaac Woodall in Burkett.

W. W. Clouch celebrated his 93 birthday Sunday at his home, 1601 Third Avenue, with his family, relatives, and friends.

Mrs. Norah Murphy has returned to her Canyon home after spending the summer visiting relatives and friends in California, particularly around Los Angeles and Livermore.

O. P. Fullerton left last Tuesday after visiting his brother, Ray Fullerton.

Willie Weaver left Friday to visit friends in Dallas, Chicago, Toledo, and Michigan. Willie will meet Hugh Greiner, a Canyon resident who is stationed with the Army Finance School at Fort Benjamin, Indiana, in Detroit.

From there, the pair will fly to New York City for a five-day visit and then on to Cape Cod Bay on the East Coast, where they will be guests in the home of Lt. and Mrs. Jerry Martin.

4-H Will Resume Recreation Program

The Randall County 4-H recreation program will be resumed Monday at 7:30 p.m. in the Ray Metcalf home.

Sessions were dismissed for two weeks because of the beginning of school.

After September, the group will meet on the first and third Mondays.

A beatnik and his girl friend were sitting on a park bench when fire trucks, ambulances and police cars went roaring by, sirens screaming. "Honey," he said, "they're playing our song."

The judge glared down at the defendant. "Do you mean to say you plead guilty to stealing a coat," he demanded, "and then have the gall to ask me to reduce your fine?" "Well, your honor," explained the culprit, "it cost me 2 bucks to have the sleeves shortened."

Man is distinguished from all other creatures by the faculty of laughter.

Mrs. Walters Cooks For 5 Civic Clubs 15 Years

Mrs. Rae Walters is often asked how she manages to fix meals for five civic clubs each week. Her standing reply is "Well, if you had been doing it for 15 years, you could, too."

She prepares family style meals for the Toastmasters, Kiwanis, Lions, Rotary, and Jaycees. She estimates that she serves 147 persons each week.

Her routine is somewhat settled. After she arrives at the American Legion Hall, where the groups meet, she makes the dessert first. Then she makes salads and fixes the potatoes. Last she prepares the meat.

It takes about an hour to fry steak for an average size group, and an hour and a half to fry chicken.

Mrs. Walters also fixes roast, meat loaf, and chicken pie. She serves either hot rolls or cornbread with the meal, served family style.

"Family style--putting bowls of food on the table--is much easier than fixing plates. If they don't like something, they don't have it on their plates, and they can take an extra helping of something they do like," Mrs. Walters said.

Shortly before noon, women who serve as waitresses put drinks and food on the tables, which have been set since early morning.

The women who help her

are invaluable, she said. Of special help is Mrs. A. L. Watson.

"She peels so many potatoes its pitiful," Mrs. Walters said.

Mrs. Walters has seen--and taken part in--many pranks during the 15 years she has cooked for the civic clubs. The pranks have ranged from food fights to April fool tricks.

The Lions Club is the one that is most often involved in the food fights.

Mrs. Walters remembers vividly the time that two Lions fought with deadly weapons--a piece of pie and a glass of water.

"They really made a mess of that floor," she said.

The Lions are notorious for throwing biscuits, which Mrs. Walters bakes for each club, but one ambitious president decided to break the Lions of the habit. He asked Mrs. Walters to serve light bread--the only time she has ever served light bread to her clubs.

After two weeks, the president withdrew his request. The Lions were dipping the bread into water, wadding it into balls, and throwing those.

Mrs. Walters has pulled April fool tricks on the civic clubs.

One April 1 she put pieces of napkins and celery in the

biscuits.

On another April 1 she put hominy in the rolls. Nobody mentioned it or even acted as though they noticed it. Mrs. Walters asked about the rolls. The men gave her a blank look--they thought that was the way the rolls were supposed to be.

Some of the humorous incidents were not pranks, but accidents, she said.

For instance, Mrs. Walters put some biscuits in the washer to warm them. Then she forgot and turned the dishwasher on.

Another time, she fixed a dishpan full of salad--and forgot it.

Scout Leaders Meet At Camp Harrington

Quarterly executive board meeting of Llano Estacado Boy Scout Council was held Thursday night at Camp Don D. Harrington.

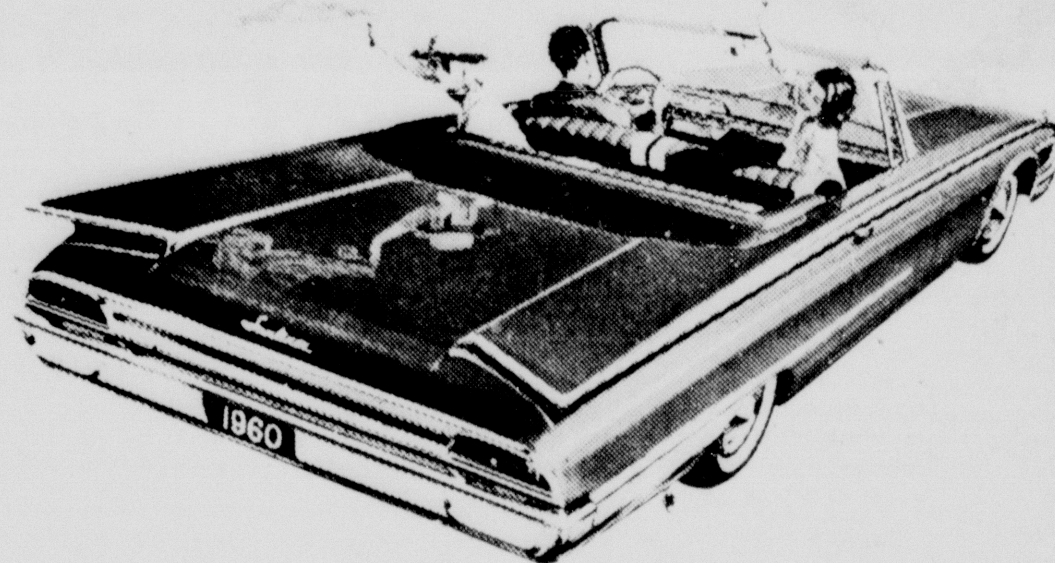

Forty-seven persons from Canyon, Hereford, Dalhart, Dumas, Amarillo, Vega, Friona, and Happy were present.

Plans for the rest of the year were made at the meeting. Those attending from Canyon

were Bill Davis, Wesley Cox, Dr. William Moore; LeRoy Moreland, W. B. Harris, and O. W. Parker.

"You know, dear," the young married me," "I don't see why not," he replied. "I'm wearing the same suit."

SCHOOL DAYS ARE COSTLY DAYS

--New clothes . . . new books . . . new this . . . new that! Yes, parents know only too well that school days are costly days!

School expenses of one sort or another coming right on top of vacation bills have dealt many a family budget a knockout blow. But wise parents have found that a good way to meet the annual bills is by planning ahead -- by adding to a Saving or Checking Account at this bank. Others may arrange for a low-cost bank loan.

Whether you need quick cash to pay those "back-to-school" bills, to buy an automobile, or for other purposes, visit one of our officers. You'll always receive prompt, courteous, confidential service at this bank.
